PRESIDENT'S COLUMN

August is a busy month for NARFE. It is Meet Your Candidate Month and also the NARFE Annual convention. The convention usually generates some resolutions that can affect our Chapter. Our Chapter leadership is busy reviewing the resolutions that will have a direct effect on our Chapter if adopted by the Convention delegates. We will take a quick look at some of these at our August meeting. One that will be on the agenda is a dues increase. Another one will be election of National Officers. Since no one from our Chapter will be attending the Convention we will allow a Federation member to carry our proxy. We can let our proxy

vote to use their discretion in voting or we may instruct them to vote a particular way.

A little about Meet Your Candidate. The incumbent in our congressional race is running for governor. Therefore, all candidates seeking this position are new to the national congressional race. Since we are not planning an official meeting with any of the candidates, I encourage each of you to make an attempt to contact some of the candidates and let them know about NARFE and that we represent all federal retirees and employees.

AUGUST MEETING

The August meeting is our annual picnic. Our own Ben Stansel and Jim Burner treat us to all you can eat grilled hamburgers and hot dogs. We only need to bring a dish that will complement the burgers and hot dogs. We will meet at 6:00 PM at St Therese Catholic Church on August 12. Hope to see you there and bring a retiree or active employee friend. There will not be a program at this meeting. This will give us more time for fellowship. We do plan a short business session.
